## Specialty Brews

Our Brewmasters take great pride in handcrafting our micro-brewed beers for your enjoyment. See our Brew Guide for more details.

Ask your server or bartender about additional specialty beers on tap.

### Northern Light Lager

Brewed to the American standard of a classic lager, this light golden beer is our mildest offering with a creamy, smooth taste.

### Brother Benedict's Bock

A German style lager, our Bock has a deep brown color, a medium body, and a mouthwatering smoothness from the wonderful malt flavor.

### Duke of Wellington India Pale Ale

The copper color of this India Pale Ale hints at the strong malt character needed to support the huge hoppy flavors and defining bitterness of this classic beer.

### Broad Axe Stout

A thick creamy head sits atop the opaque blackness of this traditional oatmeal stout. Coffee and chocolate notes make this beer a great treat.

### Two Pull

Created and made popular by our Guests, the Two Pull is a blend of our Northern Light and Brother Benedict's Bock beers. Sometimes the best creations are a mix of great creations!
